

How to obtain a licence key for CineKlee software and then install it?

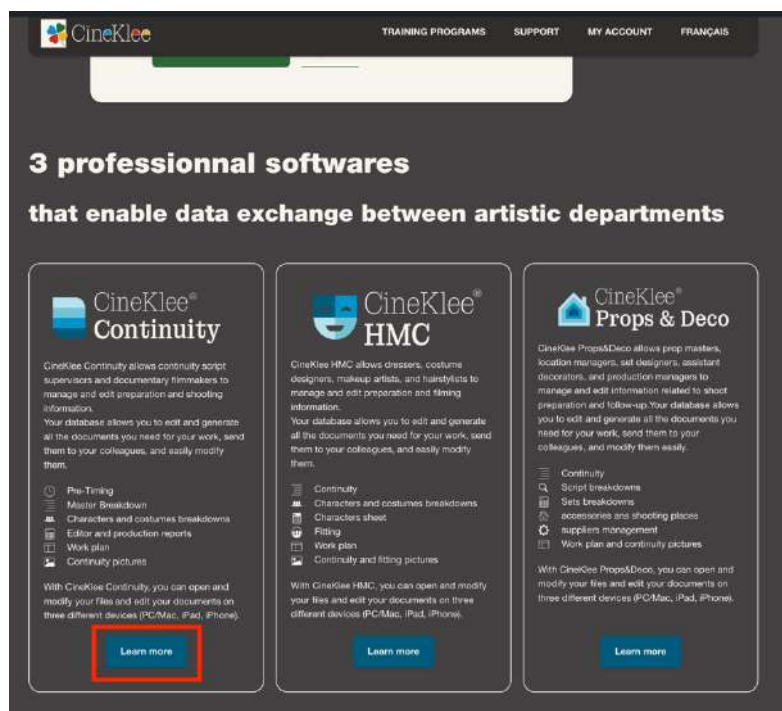

First, check that your version of Windows, macOS, iPadOS or iOS (iPhone) is compatible:

- For Mac, OS 10.15 and above
- For PC, Windows 10 Enterprise and Professional editions (64-bit only) and Windows 11
- For iPad & iPhone, iOS 16 and above

Go to our website: <https://cineklee.com/fr/>

Scroll down and click on the 'Learn more' button in the column for the software of your choice.

Select your product by clicking on 'Free test' or 'Add to basket'.

Partially funded by the CNC (Centre National Cinématographique) in 2019 and 2020, this new CineKlee software can be used locally (on your computer or iPad without an internet connection) with multi-team projects. It includes all the tools needed by the script department to prepare fiction shoots, manage continuity on set, and generate editing and production reports.

System requirements:

- Mac OS 10.15 and above
- PC running Windows 10 (Enterprise and Professional edition, 64 bits only) and Windows 11
- iPad and iPhone (iOS 16 and above)
